

## **ANNOUNCEMENT NUMBER 1**

### *On the organisation of the 2<sup>nd</sup> Vietnam National Children's Hospital Pharmacy Conference*

Dear colleagues,

As a paediatric tertiary hospital, one of our missions is to bring together expert pharmacists from Vietnam and from overseas to share the knowledge, experience and to exchange information on paediatric hospital pharmacy practice. Therefore, we, Vietnam National Children's Hospital are planning for the 2<sup>nd</sup> Vietnam National Children's Hospital Pharmacy Conference, detailed as follows:

**Estimated date:** 23 & 24 September 2022 (See our tentative programme below)

**Platforms:**

- Virtual meeting via Zoom
- In-person meeting at Vietnam National Children's Hospital.

**Content:** Presentations on hospital pharmacy practice in paediatric healthcare facilities.

The Conference Organizing Committee would like to invite all of our colleagues to register for attendance by scanning the QR code or accessing the link below.

For further information, please contact via email: [hndlnhikhoa.nch@gmail.com](mailto:hndlnhikhoa.nch@gmail.com)

**Director,**

A/Prof. Dr. Tran Minh Dien
